

Environmental Services Specialist (Full Time)

Engineering Department

Overview

The City of Chilliwack is looking for an Environmental Services Specialist to join our team in the Engineering Department. If you have a keen interest in environmental protection and waste reduction, then this job is for you. The City of Chilliwack takes great pride in its focus on providing excellent service to its citizens and we are looking for a like-minded candidate to join our team. Chilliwack is a beautiful location to work and live, with endless outdoor adventure opportunities!

Reporting to the Manager of Environmental Services, you will assist the Environmental Services team in the successful operation of its biodiversity, sustainability, and solid waste programs to achieve the City of Chilliwack's environmental protection goals. You will have the opportunity to work on a wide variety of initiatives, including habitat enhancement, environmental education, and waste reduction projects.

If you have the following knowledge, skills and abilities we encourage you to apply:

- Must have, at a minimum, a diploma in Environmental Sciences or related discipline with a minimum of two (2) years' experience related to applicable environmental work – OR – an acceptable combination of education and experience;
- Experience delivering habitat enhancement or riparian restoration projects;
- Possess knowledge of environmental contamination principles and practices;
- Possess sound knowledge of solid waste management practices and other environmental sustainability principles;
- Able to research, analyse, and interpret a variety of technical data and information;
- Possess good knowledge of national, provincial, and municipal laws, bylaws, codes, and policies governing environmental matters;
- Able to establish and maintain an effective working relationship with contractors, engineers, developers, First Nations, elected officials, other members of staff, and the general public;
- Able to communicate effectively, both orally and in written format, with sound knowledge and ability to prepare and present technical and non-technical reports and all forms of general correspondence;
- Have a high level of computer literacy, including Word, PowerPoint, and Excel; and
- Be in possession of a valid B.C. Driver's Licence.

If this job is a good fit for you, apply at jobs.chilliwack.com and apply today!
